110th Anniversary Tour of the Battle of Vimy Ridge

This original Canadian battlefield tour is anchored by attendance at the 110th Anniversary Commemoration of the Battle of Vimy Ridge on April 9, 2027—a defining moment in Canadian history marking 110 years since the Canadian Corps captured Vimy Ridge in 1917.

This commemorative battlefield tour is anchored around the 110th anniversary of the Battle of Vimy Ridge (1917–2027)—a defining moment in Canadian history. Traveling through Belgium and France, the journey traces Canada's First World War experience from the early battles of the Ypres Salient and Passchendaele to the decisive actions of 1917 and the Last 100 Days.

The emotional heart of the program comes on April 9, with attendance at the official 110th Anniversary Commemoration at the Canadian National Memorial at Vimy Ridge. Standing on the preserved battlefield during this milestone anniversary offers a rare opportunity for reflection on sacrifice, unity, and the legacy forged when all four Canadian divisions fought together for the first time.

The tour continues through the Somme and then into the landscapes of the Second World War—from Dieppe to the beaches of Normandy—connecting Canada's wartime story across generations. Thoughtfully paced and deeply reflective, this journey is both a historical exploration and a meaningful act of remembrance, marking 110 years since Vimy Ridge became a symbol of Canadian nationhood.

THIS TOUR SPANS:

Two Counties in Europe: France & Belgium.

Top Locations: Flanders, Vimy, Somme, Arras, Ypres, Dieppe, Normandy, Paris.
